

Courthouse Steps Units

Combine **9 Fabric B squares** (7" x 7"), **18 Fabric C rectangles** (7" x 3 ½"), **18 Fabric C rectangles** (13" x 3 ½"), **18 Fabric D rectangles** (13" x 3 ½"), **18 Fabric D rectangles** (19" x 3 ½") to form **9 Courthouse Steps Units** (19" x 19") using the method outlined below.

1. Sew Fabric C rectangles (7" x 3 ½") on the top and bottom of a Fabric B square (7" x 7"), pressing seams open. Sew Fabric C rectangles (13" x 3 ½") on the right and left sides, pressing seams open. (After adding the Fabric C rectangles, the unit should measure 13" x 13").

2. Sew Fabric D rectangles (13" x 3 ½") on the top and bottom, pressing seams open. Sew Fabric D rectangles (19" x 3 ½") on the right and left sides, pressing seams open. **The Courthouse Steps unit should measure 19" x 19" after careful pressing. Measure your first block to be sure it is 19 inches. If not, you will need to adjust your machine's settings to achieve a seam allowance of a scant ¼ inch.** Repeat for a total of **9 Courthouse Steps units** (19" x 19").
